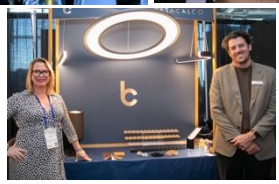
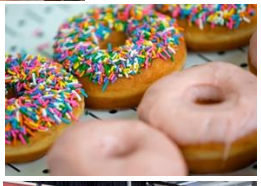
Light! Design Expo

2026 SHOW GUIDE





WELCOME TO LIGHT! DESIGN EXPO 2026

Light! Design Expo

Show Hours:

11:30AM – 8:00PM

5 Food Truck Stations On Expo Floor

3 Bars On Expo Floor **Open 3:00PM – 8:00PM**

Drink Ticket Sales On Lower Level

Four Free AIA & IES Accredited Seminars

(Classroom On Upper-Level Past Expo Floor)

Seminar Schedule:

12:00PM: RP-46-25 is Here, Now What?

Circadian supportive lighting is an innovative approach to lighting design.

Robert Soler, Founder of BIOS Lighting

2:00PM Inclusive Design: Sensory Sensitivities & Light…from Neurodivergent to Aging Eye Populations

Across populations that experience sensitivity to visual stimuli, there may be similar responses to light, but often nuanced solutions.

Patricia Rizzo, Kenall Lighting, Sr. Healthcare Product Marketing Manager

4:00PM The A, B, C's of Power Over Ethernet Lighting + Controls – Panel Discussion

The Feature-Packed potential of Universal Power Over Ethernet [UPOE]* to deliver Operational Grade DC-power and communications – to all essential building systems on a unified network.

Akram Khalis, David Robinson, Joe Herbst, and Jim Simpson

6:00PM Mass Lighting in Mass Timber: Tales of Integrating Lighting within Mass Timber Architecture

Sharing the complexities of lighting design in working with a new material (Cross Laminated Timber) as a company, after completing 5 Mass Timber projects with different Architects.

Alec Buxton, Pritchard Peck Lighting, Senior Designer

Light! Design Expo

GOGREEN

At Light!, we take pride in our efforts to reduce waste at our event each year. We hope that you will join us. Our "Green Team" will show you how!

- ✓ At Light! we print badges on compostable paper. We reuse all returned lanyards, so please drop them in a collection receptacle on your way out.
- ✓ Our Our show guides and seminar handouts are recyclable.
- ✓ All food, water and coffee stations serve in compostable containers.
- ✓ Bar drinks are served in recyclable cups.
- ✓ Soft Drink Containers are plastic free and recyclable.
- ✓ There are 3 Water Refill Stations located near each bar. Please use your own refillable water bottle or reuse your compostable cup.
- ✓ Light! provides "Greening Stations" managed by Green Mary, a woman owned business committed to promoting waste-free events.
- ✓ Green Mary's GREEN SERVICE for Light! includes:
  - EcoEducation, sharing with inquiring attendees what goes where at this event, in SF and around the Bay Area and WHY!
  - Greening, Waste Diversion, Composting & Recycling

GREEN MARY ZERO WASTE EVENTS

WE WISH TO THANK ALL OUR PARTNERS!
